

# YOUTH SOCCER ACADEMY

## What is the Youth Soccer Academy?

In order to provide advanced educational opportunities for the area soccer community, Sunflower Soccer Association would like to announce their implementation of the Youth Soccer Academy. The YSA (Youth Soccer Academy) is an educational program designed to introduce the evolving youth soccer player to a wide variety of soccer topics from the basics to advance fundamentals of the game as well as technical and group drills focused on soccer skills. From this, players can be evaluated and assessed on their skills to identify areas that need improvement. YSA is a co-educational training program dedicated to providing excellence in the development of soccer players. The academy provides a challenging and enriching environment for all ability levels, ages U7-U12. Our program is designed to help young athletes build confidence, fitness and soccer intelligence.
